## WHY CHOOSE LOADUP

# Disposal solutions:

## Healthcare and assisted living communities

Technology-based, full service junk removal company offering guarantees on install, clean outs and disposal.

Guaranteed upfront pricing for all orders.  
Affordable every time.

Hassle-free removal of all bulky items or junk.  
Sustainable disposal, donation and recycling.

Online booking of one-off or recurring services.  
Real time order tracking.

## WHAT WE OFFER

# All assisted living facilities, senior living communities and hospices

### Full service partnerships include:

- ✓ Fully manage the transportation logistics of hospital beds, old mattresses, medical supplies, lab equipment and more.
- ✓ We can sustainably dispose of any items left behind due to tenant turnover.

## HOW WE CAN HELP

# Hospitals and emergency centers

### **Quick Response**

Old hospital beds and furniture are often needing to be changed out at a moment's notice.

### **Complete Solution**

LoadUp is your end-to-end hospital and ER removal service offering eco-friendly disposal.
